Jerome, Member; Special invitees, Dear Parents, well-wishers and our loving students, we have great pleasure in extending to you a warm welcome to the Second School Day Function of our school.

Today as we have gathered here with all those who have planted the seed to grow into a walloping tree in the field of academic excellence, we feel this as an appropriate time to inform the accomplishments of our various works in the field of curricular and co-curricular activities. With happiness and sparkling zeal, we stand before you to present the Annual report of the school for the Academic Session 2017-18.

Stanis School-CBSE provides opportunities for the students to grow by allowing them to ask questions, doing experiments, competing in sports, engaging in extracurricular activities and enabling them to reach the outside world. Our School Annual Report provides a detailed account of the progress of our school's holistic

and high quality educational opportunities provided to the students, as set out in the school plan.

“Without continual growth and progress, such words as improvement, achievement, and success have no meaning. Strength and growth come only through continuous effort and struggle.”

Stanis School-CBSE does not confine itself to text book learning but integrates vast areas to enhance the holistic development of the child. There's a transformational magic that occurs here in the classroom every day. We focus on communication, activity based learning, character development, health and sports and extracurricular activities. We are inspired every day when we see the spark kindled within our students as they critically observe, analyze and experiment.

## CONCLUSION

Gratitude can transform common days into days of thanksgiving, turn routine jobs into joys, and change ordinary opportunities into blessings. At this occasion, I extend my deepest gratitude to our patrons Sir Robert Stanes Educational Institutions under the dynamic leadership of Dr. James J. Gnanadoss, Chairman; and by the constant guidance and motivation of Mrs. Mercy Oommen, Correspondent and Dr. A. Ebenezer Jeyakumar Hon. Secretary. We would be failing in our duty if we do not recall the support rendered by the parent fraternity of STANES-CBSE. We also extend our best wishes to all students for giving their best in all spheres through hard work and perseverance.

On this memorable occasion as we recount our successes we wish to dedicate all our achievements to the devoted efforts of the committed team of teaching and non-teaching staff of Stanes School CBSE.

### *Let us now state the Action Statement for Posterity:*

Many milestones have been achieved and many still have to be reached. We at Stanes School CBSE will continue our unceasing efforts to mould the young minds into well balanced personalities with confidence and zeal befitting the standards of this portal of education.

Stanes School-CBSE strives to bring to reality, the 21st Century vision of our school. The focus of the 21st century class room is, developing the higher order thinking skills, effective communication skills and knowledge of technology that students will need in the 21st century workplace which includes Learning skills, Literacy skills and Life skills. Our Principal Mr. A. Benjamin has complete trust in his team comprising the teaching fraternity and the support staff at Stanes School-CBSE. We, the family of STANES-CBSE assure you that with your much valued co-operation, this vision will become a truth in the near future.

Let's join hands and keep marching on to make our posterity—our children strong, vibrant, dynamic and capable citizens of this nation.
