

# 4<sup>th</sup> Annual Day Report

Stanesh School - CBSE, 2019-2020

“The heart of the discerning acquires knowledge for the ears of the wise seek it out.” Proverbs 18:15.

The 2019-20 Annual Report envisions a student's success that integrates academic achievement, development of psycho-physical health, co-curricular activities and a new outlook to enhance the holistic development of our students.

We, at STANESH CBSE took great pleasure to extend a warm welcome to our Esteemed Chief Guest, Mr. R Shyam Sundar, Director, Srinithi Enterprises and International Golf Referee, Governing Board Members, Special invitees, parents, Past Students Association, well-wishers and our young stalwarts to the 4<sup>th</sup> Annual Day Function of our school.

“Victory comes from finding opportunities in problems.”

This spectacular day is the outcome of a unique year of collective efforts, shared aims and a relentless pursuit in achieving them. The day was marked as the most appropriate occasion to unwrap the achievements of our distinct work in the field of various activities. With deepest joy, we are glad to present the Annual Report of our school for the academic session 2019-2020.

“Success isn't always about greatness. It's about consistency. Consistent hard work leads to success and Greatness will follow”

Stanesh School CBSE showered itself with bountiful opportunities for students to equip themselves to be unique personalities. It laid a platform for them to carve their own images with self reliance and optimism. It also provided the space to think out of the box by giving them hands on experience, competing in sports, engaging in extracurricular activities and reaching to the outside world. A detailed account of the progress of our school to provide high quality educational opportunities for all students, as set out in the school plan is highlighted in our Annual Report.

We do not confine ourselves to books, but believe in an all-inclusive education for our students. Each moment on campus is focused on promoting multiple intelligence and a unique individual profile. We focus on communication, activity based learning, character development, life skills, work education, health and sports and social outreach.

I am inspired each day to see the spark kindled within them as they critically observe, analyze and evaluate their day to day activities channeling

them in the linguistic, logical, scientific and inter and intra personal relationships.

**Affiliation:**

Our school has received its Affiliation from CBSE, New Delhi up to Higher Secondary level within a span of three years. **Our Affiliation No. is 1930860.**

“Being the best is great, but being unique is greater than that. Our uniqueness is the magic of our success.”

**Academic Achievements:**

"A dream becomes a goal when action is taken towards its achievement."

Our first batch of Grade X students appeared in AISSE, 2019 and brought laurels to our school by securing cent percent result with distinction. Sarvesh Rajkumar, being the first school topper, has secured 483 out of 500 and he is also the subject topper in English, Hindi, Maths, Science, Social and FIT. The other subject toppers are

- ❖ Arpith Obadiah (French and Maths)
- ❖ Nakhul HariThev (Tamil)
- ❖ Gladys Franklin and Raghavi (FIT)

It is indeed the tireless hard work of our teachers who have yielded results immeasurably. I appreciate their persistent work and dedication in shaping their wards to attain greater heights.

"Believe in yourself. You are braver than you think, more talented than you know, and capable of more than you imagine."
